

Domestic Violence: Not in my Church? Online Seminar Series #2

Financial Abuse

Thursday 20th February 6:30pm-7:30pm
(via zoom)

“Financial Abuse is a serious form of domestic and family violence, which involves someone using money to gain power or control over their partner. It is a hidden epidemic affecting thousands of people in Australia.”

Matt Comyn, CEO Commonwealth Bank

Seminar Contents

- What is Financial Abuse, what are the different forms of financial abuse and how common is it?
- A survivor of Financial Abuse will share her story, her journey to recovery and the good things that have happened since leaving the abusive relationship
- What support is available for those experiencing Financial Abuse
